

ORDER FORM

This Order Form together with the attached OSA form the agreement (the "Agreement") that is entered between the parties listed in the table below on the Commencement Date for the services described in this Order Form. This Order Form is subject to the terms of the OSA. Terms not defined in this Order Form will have the meaning given to them in the OSA. In the event of conflict between this Order Form and the OSA, this Order Form will prevail.

	SERVICES	

1.) Client initiates a check/process and interacts directly with Onfido:

Client Interaction Method with Onfido	Description	Personal Data Processing
Application Programming Interface (API)	The API is based on REST principles and uses standard HTTP response codes to enable Client to transmit and receive data from Onfido, as further described in the API Documentation.	Categories of Personal Data: Onfido User unique identifier Check status/outcome and related information (e.g., a Report) Optional data fields selected by Client
Onfido Dashboard	The Onfido Dashboard is a graphical user interface to Onfido's API, as further described in the API Documentation.	from those technically supported and listed in Onfido's API Documentation (for example, the User's title - Mr. Mrs., Miss) • All other information processed by Onfido relevant to the applicable Services (Note - Onfido will also collect the full name, login credentials, and usage logs for Client personnel accessing the Onfido Dashboard)

2.) Onfido collects additional information directly from Users on behalf of the Client:

Data Collection Method	Description	Personal Data Processing
SDK	The SDK provides the Client with a drop-in set of user interface screens for mobile (iOS and Android) and web applications to allow the capture of identity documents and facial	Categories of Personal Data: Images/video and information describing the images/video (as specified in the relevant check/process) Telephone number (web SDK only and optional) Content of SMS (web SDK

photographs/video for the purpose of the Services.	only and optional) IP address and associated city/country level location information Anonymised usage data
--	--

3.) Onfido processes the following on behalf of Client:

Service Name	Description of Service	Personal Data Processing
Document Check	Assesses the likelihood the Document provided is genuine and, if applicable, cross-references the information within the Document.	Categories of Personal Data: • Image of the identity document and information describing the identity document
Facial Similarity Check - Selfie	Compares the face displayed on a Document with a facial image captured of the User, to verify that they are the same.	Categories of Personal Data: Image of the User's face Image of the face in the identity document Special Categories of Personal Data: Numerical biometric data

The Client agrees to require all Users to provide Onfido with full and accurate data either via an online "Applicant Form" or through Onfido's proprietary application programming interface (the "API") or SDK. To the extent Onfido obtains Personal Data (as defined below) not necessary for Onfido to provide the Services, the Client instructs Onfido to delete Personal Data without further notice to the Client.

All Reports provided to the Client will be available for viewing and printing on Onfido's secure, web-based dashboard (the "Onfido Dashboard") or returned to the Client via API responses. Through the Onfido Dashboard, the Client may set a list of authorised personnel who are permitted to access the Reports. The list may be updated at any time on a self-service basis by the Client.

Portable/Reusable Identity Restriction. Unless required by applicable law or otherwise consented to by Onfido, Client will not make the Services (including Reports) available to any third parties. For the avoidance of doubt, Client may not use the Services in relation to or as part of any self-sovereign, federated, distributed,

portable, or reusable identity system or solution or any other identity system or solution which enables a third party to establish an independent relationship with a User due to Client's use of the Services.

CHARGES

The Charges for the Services will be as follows:

1. Subject to clause 3 below, the Client commits to pay to Onfido (a) a minimum of **\$20,000.00** per year (the "**Minimum Annual Fee**") during the Term for the Services calculated by reference to the Minimum Annual Fee Price Per Check, together with (b) any Charges that it may incur in excess of the Minimum Annual Fee ('**Overages**') calculated by reference to the Minimum Annual Fee Price Per Check.

Checks	Minimum Annual Fee \$20,000 Band A	Minimum Annual Fee \$33,000 Band B
Facial Similarity Check - Selfie	\$0.77	\$0.65
Document Check	\$1.31	\$1.20

- 2. The Minimum Annual Fee will be paid upon signature of this Agreement.
- 3. If the Client incurs Charges in excess of the Minimum Annual Fee, it shall be charged an incremental commitment of USD \$5,000 (the "Incremental Commitment"), calculated by reference to the Minimum Annual Fee Price Per Check, to be used within the then current contract year; provided that the Minimum Annual Fee for the remainder of the then current contract year shall not change. If the Client incurs Charges in excess of the Incremental Commitment, it will be charged a second Incremental Commitment. This will recur each time the Client incurs Charges in excess of the then relevant Incremental Commitment, each time to be used within the then current contract year.

Should the Client benefit from a price saving by entering a net new, incremental 12-month commitment, the Client may elect to enter a net new, incremental 12-month commitment under the same terms and conditions contained herein at a new Minimum Annual Fee as below:

- USD \$33,000 new incremental Minimum Annual Fee with a Price Per Check of:
 - Document Check: USD \$1.20
 - Facial Similarity Check (Selfie): USD \$0.65

4. If the Client terminates this Agreement because Onfido commits a material breach of this Agreement, Onfido will refund the lesser of (i) any unconsumed Minimum Annual Fee; or (ii) a pro rata proportion of the Minimum Annual Fee. calculated with respect to the number of months remaining in the Term. If Onfido terminates this Agreement because the Client commits a material breach, it will be entitled to the Charges until the end of the relevant charging period. For example, if the payment period is monthly, it will be entitled to recover unpaid charges to the end of that calendar month, if annually, to the end of that contract year. Payment obligations will continue in full during any period of suspension by Onfido for material breach. 4. For avoidance of doubt, the Client will not be permitted to carry forward any unused value of Minimum Annual Fee in the event that it fails to use the whole of Minimum Annual Fee in any given year. Additional fees: The following additional fees will be payable: • Customer Success Package (payable on the Commencement Date): Standard Customer Success Package: \$8,000.00 per year Assurance Packages: As described in Schedule 4 (payable upon signature of this Agreement): Advise Package: \$1,600.00 provided that the Client will reimburse Onfido for any reasonable expenses for example, travel, accommodation, subsistence provided evidenced with receipts. **DESCRIPTION OF** Subject Matter, Nature, and Purpose of Processing **ONFIDO'S** Onfido's Provision of the Services **PERSONAL DATA PROCESSING (AS Duration of Processing** A PROCESSOR) The Term **Categories of Personal Data:** As identified in the Services above and as further detailed in the Records of Processing **Categories of Data Subjects** Users **SDK LICENSE** In the event that Client uses the Onfido SDK, the terms of the SDK License as set out in Schedule 2 will apply.

SLA

The SLA in the table below will apply in respect of those Services listed in this Order Form commencing 30 days after the first live check:

Check/ Report	Expected Turnaround Time
Document Check	Instant or up to 5 minutes, on exception up to 2 hours.
Facial Similarity Check - Selfie	Instant or up to 5 minutes, on exception up to 2 hours.

^{*}Instant means up to fifteen seconds

The SLA are calculated by Onfido starting from the moment Onfido is provided with all information, documents and check initiation requests required to perform the Services and ending the moment the Client receives a response from Onfido indicating the completion of the Report in accordance with this Agreement.

These SLA are measured monthly and are subject to Accurate Volume Projections being provided by the Client, and the Client being within the Baseline Tolerance.

SPECIAL TERMS

Client will allow Onfido to add the Client (including Client's Brand Features) as a reference in any advertising or promotional material (including on the Site) and will work with Onfido on finalising:

- 1) a case study and;
- 2) a press release within 30 days following the Client's first use of the Services.

The Client acknowledges that at the time of signing this agreement due to the COVID-19 pandemic and resulting government lockdowns, Onfido has had to make a temporary change to delivery of its Services, which now includes instances of remote working. Onfido commits to keeping the Client updated and notifying the Client (by email) when the instances of remote working are no longer in place.

^{**} Document and facial checks involving Chinese, Russian or Japanese Documents will be subject to a turnaround time SLA of 99% < 24 hours, not to those above.
